Dear Sir:

In response to the Restriction Requirement dated March 25, 2008, applicant elects species A-1 (claim 4) in the Examiner's Category A; species B-1 (claims 6-7) in Examiner's category B; species C-1 (claim 13) in the Examiner's Category C; species D-1 (claim 23) in Examiner's category D; and species E-1 (claim 27) in the Examiner's Category E.

Applicant is confused about the Examiner's reference to PCT Rule 13.1 because this is a national application under 35 USC Section 371, not a PCT application.

Respectfully submitted,
